# Poopie's

DiManno's Lunch Inc.  
54 Lawrence Street  
Glens Falls, NY 12801

*A Truly Unique Dining Experience  
Located in the Heart of Glens Falls, NY  
Est. 1954*

Nestled in the East End of Glens Falls, also known far and wide as Hometown USA, you have discovered "Poopie's", a family business that has become a real American success story. Born to Italian immigrant parents, the late great Joseph DiManno began a small restaurant on Lawrence Street in 1954. Joseph's mother used to call him "Papino", a fond term of affection for her son in her native tongue. Joseph's peers from his Glens Falls neighborhood changed his nickname slightly, and he his establishment became known as "Poopie's". It was always well known for good food, good company, and a good time. That tradition has lived on until this day at "Poopie's", whose actual business name is DiManno's Lunch Inc. Jerry DiManno, Joseph's son, took over the business from his father in 1976. Jerry's wife, Brenda, and their two daughters Ann and Christina spend a great amount of time here, and have made "Poopie's" the success it is today. The family-like atmosphere apparent to all of "Poopie's" regular customers is one of the main attractions of this famous eatery. Customers return again and again, and are always satisfied with the great homemade food and intrigued by the friendly local people and lively entertainment that often takes place. Thank you for coming to "Poopie's"! We hope you enjoy your visit and we look forward to seeing you again!!
